PAYMENT INFORMATION

Baby’s Space is a community childcare program that gives priority to residents of the Little Earth of United Tribes housing program and residents of the Phillips community. We rely primarily on program fees to provide high quality childcare and family support services to our community. Grants and donations cover only a small portion of our budget. Therefore, our childcare program requires that the family secure a form of payment for the childcare program. Our staff will work with you to identify sources of childcare subsidies (if you are eligible). Please let us know if you are in need of assistance!
